Summary

I am a **Frontend Developer** specializing in building modern, responsive, and high-performing user interfaces. I have hands on experience with **React.js, Nextjs, Chakra UI, Shadcn, Acertinity UI, Zustand, and TanStack Query**. I adapt quickly to new technologies and development patterns, making me an efficient and dependable team member in any project.

Experience

Frontend Developer

Zefe

- Collaborated on the design and development of [Zefe.xyz](https://zefe.xyz) and network.zefe.xyz, a decentralized networking platform .
- Developed and integrated Web3 features such as wallet connections .
- Developed the Network Marketplace, enabling users to buy, sell, and trade digital assets with fast, low-cost transactions powered by solana.

Frontend Developer

Socially

- Developed a MVP within 3-month timeline
- Implemented Zustand and TanStack Query for efficient state management and API data fetching
- Applied advanced frontend optimization techniques, improving application performance by 40%
- Built reusable component library to accelerate future development

Frontend Developer

Hyperce

- Developed reusable Angular components following best practices and design patterns
- Utilized GraphQL for efficient API queries and mutations
- Built end-to-end e-commerce platform with complete shopping cart and payment integration
- Implemented responsive design ensuring seamless experience across devices

Projects

Socially - Sass Web Product

[LiveLink](#)

Socially is a social analytics and content scheduling platform that helps users manage and publish posts across multiple social media platforms in real time. It enables seamless post scheduling, multi-platform publishing, and audience engagement — all from one dashboard.

Zefe - Saas Web3 Product

[LiveLink](#)

Zefe is a network marketplace where users can buy and sell professional connections, transforming personal networks into tangible, tradable digital assets. Built on the Solana blockchain, it enables fast, secure, and decentralized networking experiences.

Leadership & Extra Curricular Activities
